First Virtual Ride-Along of 2019 to Feature Toledo Police SWAT

Toledo, OH (January 16, 2019): Toledo Police will be continuing their virtual ride-along series tomorrow, January 17th. By checking in on the department's Instagram (@toledo_police) or Twitter (@ToledoPolice) accounts tomorrow afternoon, viewers can see what a typical workday is like for members of the department's Special Weapons and Tactics section.

In the Fall of 2017, the department began a series of virtual ride-alongs. Previous ride-alongs have included Field Operations, Gang Task Force detectives, K9 unit, midnight patrol, and mountain bike patrol. The purpose of the virtual ride-along series is to provide another avenue for the community to engage with officers as well as get a behind-the-scenes look into the department.
