### **Suspect in Custody Following Buckingham Street Homicide**

Toledo, OH (May 23, 2019): A suspect is facing murder charges after being taken into custody yesterday evening for the death of 47-year-old Leonard Wiggins-Tucker. After conferring with the Lucas County Prosecutor's Office, Toledo Police detectives arrested Anthony Anderson, age 21, for his role in the homicide.

On May 13, 2019 at about 6:20 p.m., Mr. Wiggins-Tucker was present at 1521 Buckingham when the location was robbed. During the robbery, Mr. Wiggins-Tucker was shot and later died at Toledo Hospital. The investigation by Toledo Police homicide detectives found that Anderson had a role in the robbery that led to the death of Mr. Wiggins-Tucker.

Detectives from the Crimes Against Persons Section, Gang Task Force, and Crime Scene Investigation Unit, as well as officers from Field Operations, were all instrumental in gathering evidence to bring charges against Anderson. While the arrest of Anderson is a breakthrough in the case, the investigation remains ongoing and we urge anyone with information in this case or other recent shootings to call Crime Stoppers 419-255-1111.
