### Traffic Advisory - President Trump Rally

Toledo, OH (January 7, 2020): Due to President Trump's rally in Toledo on Thursday, January 9, it will be necessary to close certain streets around the area of the Huntington Center.

Beginning Wednesday morning, Huron Street between Jefferson and Madison will be closed.

Beginning Thursday morning, all streets around the Huntington Center will be closed by 10 a.m. but possibly before. These streets include but are not limited to: Madison at St. Clair, St. Clair at Jefferson, Jefferson at Huron, and Huron at Madison.

All parking garages near the Huntington Center will be open, but with limited access. There will be no street parking around the Huntington Center. See the map provided for street closures and where to park. Please expect delays in the downtown area due to street closures and large crowds.

The street closures are subject to change without notice, for numerous reasons, as dictated by the Federal Government. Please exercise extreme caution while driving or walking in the area due to the large amount of people downtown.
